Conclusion

Key portfolio components continued to moved closer to target levels during the first half of the year, most notably Venture & Growth Equity

*InfRA incorporates infrastructure and real assets.

As at 31 July 2023. The diversification is based on the fair value of the underlying investments, as estimated by the Investment Manager. Diversification by stage, strategy, and geography is based on the estimated NAV of partnership investments within HVPE's fund of funds and company investments within HVPE's co-investment funds. Industry diversification is based on the reported value of the underlying company investments for both fund of funds and co-investment funds.

Core to HVPE's purpose is investing in a responsible manner:

"HVPE, through its investments in HarbourVest funds, helps to support innovation and growth in the global economy whilst seeking to promote improvement in environmental, social, and governance standards."

HVPE's ESG policy statement is a recognition and commitment to ESG principles:

"The Board recognises the critical importance of ESG considerations to many investors. The Board recognises that ESG issues can present both opportunities and threats to long-term investment performance and is committed to responsible and sustainable investing."
